

PROMETHEUS

ABOUT PROMETHEUS

PROMETHEUS is a 77-foot luxury sports yacht built by Warren Yachts and extensively refitted in 2020–2022. Sleek, stealthy, and boldly contemporary, she offers expansive spaces for intimate escapes, lively events, and corporate charters—accommodating up to 6 guests overnight and up to 36 guests by day on Sydney Harbour.

The aft deck provides a stylish alfresco lounge and dining setting, with wrap-around seating flowing seamlessly into the open-plan saloon—bathed in natural light from 360° windows and a retractable sunroof. Above, the upper deck is configured for maximum flexibility: sun lounges, shaded areas, and full views across the harbour, perfect for events or laidback cruising. Foredeck sunpads and a generous hydraulic swim platform invite guests to soak up the sun or dive into the water effortlessly.

PROMETHEUS blends dramatic design with modern comfort—sleek dark-hulled exteriors, luxurious timber and leather finishes, and climate-controlled interiors. A high-end entertainment system, including Bose speakers and LED lighting, transforms her into a nightclub on the water when twilight falls.

She offers three beautifully appointed cabins below deck—typically including a king master, queen guest, and a twin cabin—each with private ensuite bathrooms. Configured for up to 6 overnight guests, the space exudes contemporary elegance and comfort.

Based year-round in Sydney, PROMETHEUS is an ideal companion for celebrations, corporate functions, intimate weddings, or spontaneous harbour escapes. She promises a stylish, unforgettable on-water experience with luxury, versatility, and atmosphere to spare.
