ABOUT EVOLUTION

A NEW EVOLUTION | Bespoke superyacht charter on Sydney Harbour.

Evolution, reimagined. Dining and drinks, elevated. A new look, a new chapter.

Under CHAPMAN management, Evolution returns with a refreshed look and a new food and beverage offering, ready for private celebrations, corporate entertaining and summer days on Sydney Harbour.

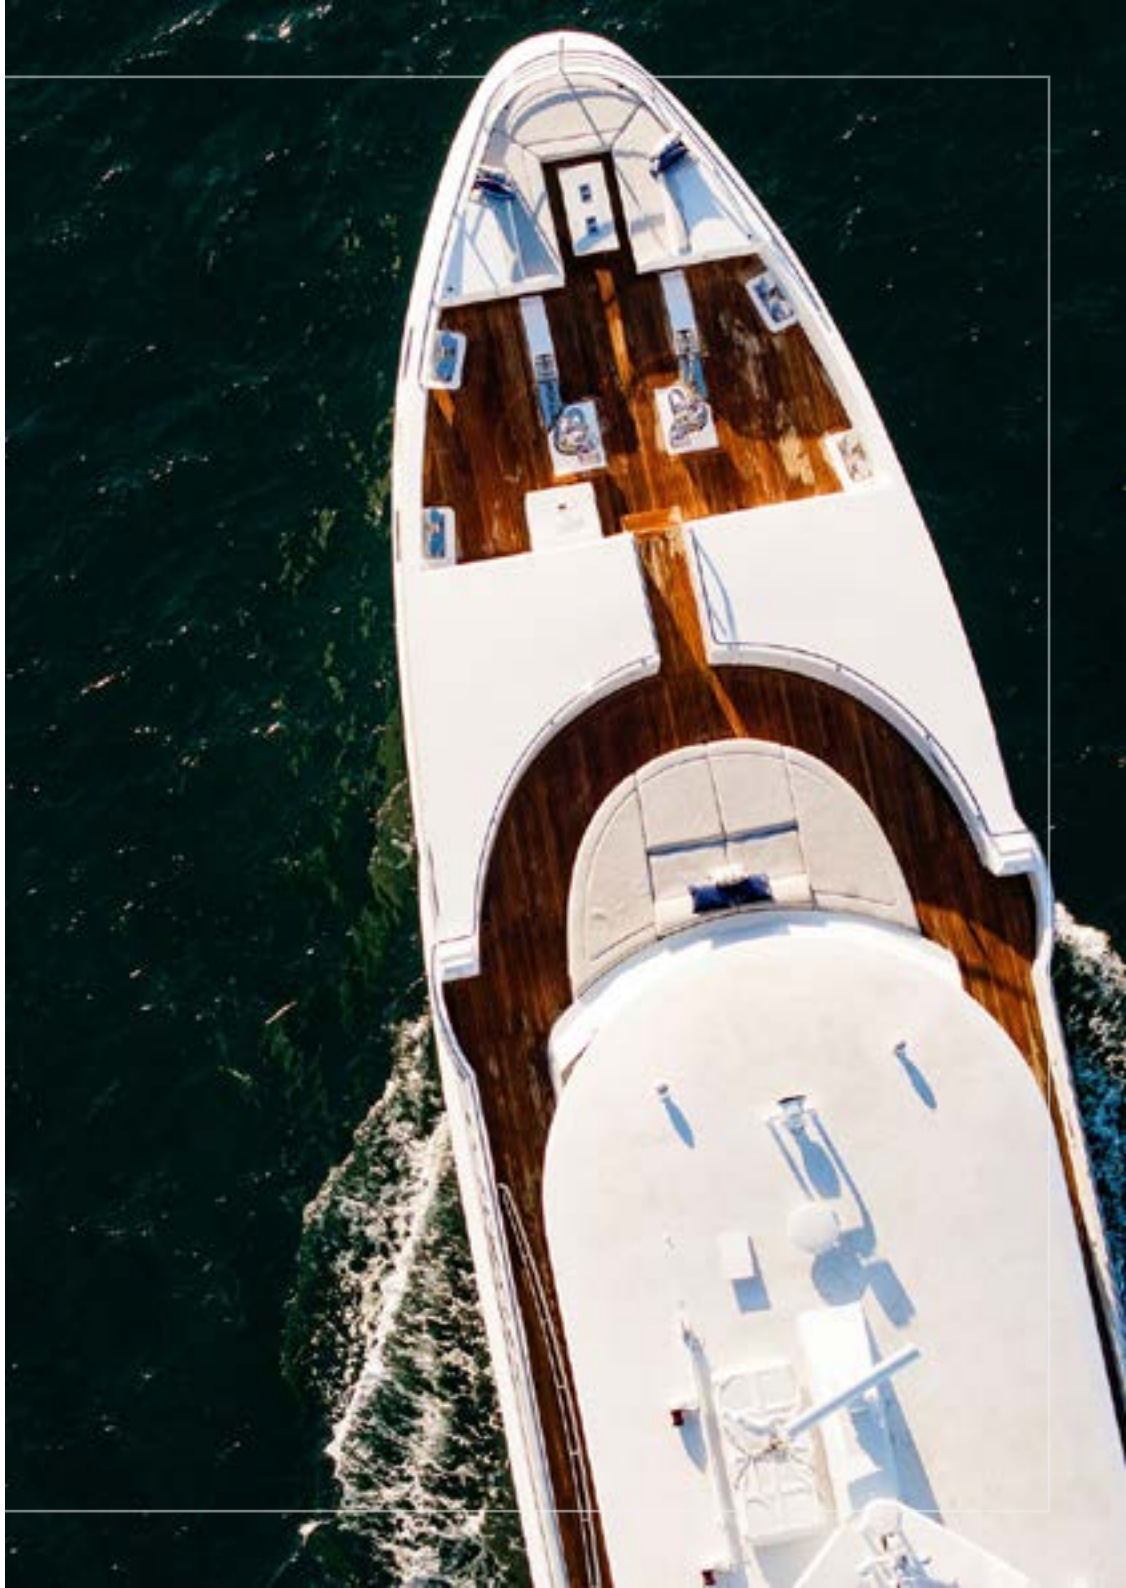

At 39 metres (128 feet), Evolution is a luxury motor yacht by Oceanfast with expansive bow, upper and aft decks designed for effortless entertaining. Accommodating up to 70 cocktail guests, she offers a private setting for milestone celebrations, client entertaining and memorable days on the water.

Make yourself at home across generous outdoor spaces, from the bow seating and sunbeds to the expansive sundeck with bar and additional lounging areas. Inside, the main deck features a full-size bar, welcoming saloon and light-filled interiors designed for relaxed entertaining.

Dining and drinks are elevated with a flexible food and beverage offering, from canapés and shared dining to multi-course menus, with beverage options tailored to your guest list and occasion.

For those staying longer, four elegant ensuite cabins accommodate up to eight overnight guests.
